

# ABOUT US

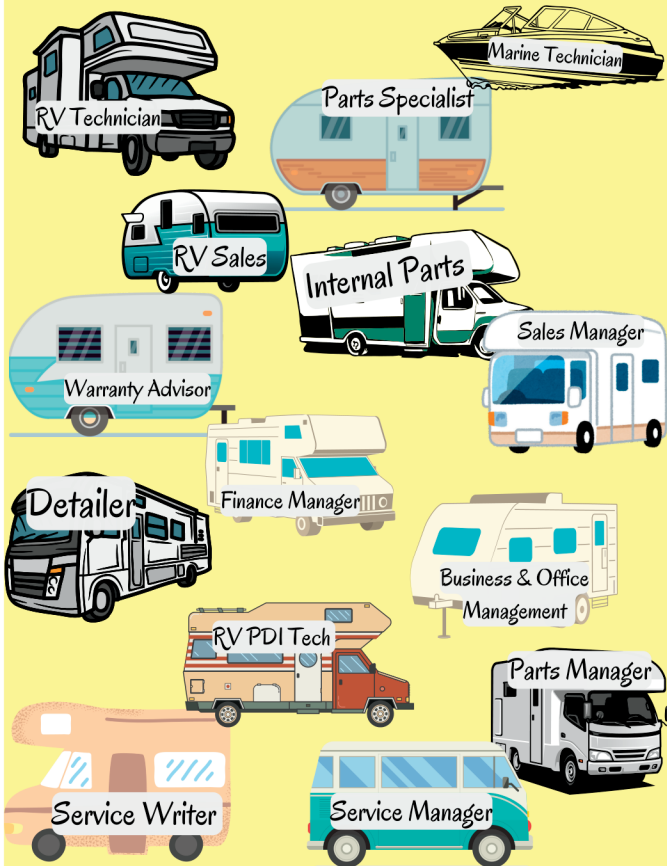

McGovern's RV is a locally owned & operated business in Grande Prairie. Opening in only 1995, McGovern's RV has grown every year. We pride ourselves on our family values, close-knit team and developing our team members throughout their careers!

Here at McGovern's RV we pride ourselves on supporting the community, whether it's sponsorship for events like Bear Creek Folk Festival or the Rodeos, to events we've hosted like our Bandaged Paws Adoption Day!

In addition to our RV technicians, we also have a parts team, sales team, and offer careers in business for things like accounting, management and administration!
